

HELPING OUR REGION THRIVE

Thursday 12 June 2025

KingsGate Conference Centre, Peterborough

Cambridgeshire Chambers of Commerce represents businesses across all sectors and sizes. We are recognised for bringing these businesses together, alongside the education sector, and local and national government.

We connect, inform, and promote. We champion inclusive and sustainable growth.

CambsB2B is our flagship series of events, running in both the North and South of our region.

CambsB2B North is our annual event and exhibition to bring our community across north Cambridgeshire, Peterborough and Stamford, together, under one roof to:

- enable businesses to reach new audiences
- catalyse trading opportunities
- share experiences and inspire success
- discuss local, regional, and national issues
- galvanise the economic community.

During this one-day event, we provide a B2B exhibition hall, the opportunity to hear from leading industry speakers, our legendary speed networking and more.

If your business wants to connect with other businesses, educators, and supportive agencies across the region, then these are the dedicated events for you.
